“EMBROIDERED LIGHT”

Bringing Light and Color to your Pastel ”

**The following paintings were created
at the afternoon workshop.**

**We are grateful to these students
who have consented to share their
artwork with us!**

Jane Best

Here is my pastel from Bethany's workshop. I still have work to do on it so it's a wip.

Tomasyn Breazeale

Nancy Clausen

Melissa Noll

Christine Robinson

Red Azaleas

Sennelier, Ludwig, and Schmicke

Bethany helped us to find the sweet spot of a photo with selective cropping. This was a small portion of the photo.

I also did this “home work” using an underpainting technique that Bethany showed us, using a loose weave linen, frayed, to apply acrylic ink. It’s fantastic for shadows like the ones on the path.
