Special PLEIN AIR EVENT

Saturday, May 14, 2022

2:00 to 5:00 PM

This event will be "in person" and will be held at the French Broad River Park in Asheville.

Several members of APS will be set up to demonstrate their skills and equipment in doing Plein Air painting with pastels. You are invited to participate by observing the various artists or feel free to paint along with them. Whether you are a novice or an expert in Plein Air painting, this event is for you! Join with your fellow artists this Spring and take your painting skills outside.

The French Broad River Park is located at 508 Riverview Drive, just across the river from the River Arts District. There is plenty of parking and public restrooms available. We are starting the event at 2:00PM so you will have plenty of time to attend the APS ZOOM Meeting in the morning and then come and paint with us!
