

Terri Ford Workshop

IAPS 2022

Recommended Materials

Photographs of your choice. Good contrast and not a lot of fine detail work best.

Sanded pastel paper...any brand that will accept a liquid wash is fine. I use Uart 400 grit. 8x10, 9x12, 11x14 recommended

NuPastel 305 Spruce Blue. I start all paintings with this. Other Nupastels that I frequently use...298 Bottle Green, 244 Blue Violet and your own selection of pastels.

**Denatured alcohol or 90% isopropyl alcohol.
Shallow wide mouth plastic container**

Coarse bristle paint brushes. 3/4" - 1 1/2" work well. I use old used oil painting brushes. #8 or #10 Filbert or Rounds. Soft watercolor or foam brushes will not provide the control that I will be demonstrating.

Paper towels

IMPORTANT: Drop cloth to protect floors

Any other incidentals that you use.
