Announce a

“Paint-Out-in-Place”

For the first APS Plein Air Event of 2024 we will be holding a Paint-Out-in-Place. Since the weather in February remains unpredictable, we encourage everyone to paint at the place of their own choosing. This can be done outside or inside.

We'd like to have everyone painting at roughly the same time. And then send your painting to

APSmedia828@gmail.com

by **10PM on February 11th.**

"Taos Red" by Albert Handell

Be sure to include the title, size and any comments you wish to make about your experience. All this information will be included in a web show which will be posted on the APS website. **Please submit only paintings done for this event the weekend of Feb 10th.**
