

*APS Presents
Luana Luconi Winner*

*2-Day Workshop (Accompanying
2018 APS Juried Member Show)*

August 23-24, 2018, Hendersonville, NC

"LDCC* with Luana Luconi Winner"

**(Line, Design, Color and Composition)*

For Beginner to Advanced Levels - this is a mini workshop developed from the core of every great art course. Remember: Line, Design, Color, and Composition. In these days together, we will cover an overview of these critical elements of art. We will identify them through a quick view of masterworks; locate them within our own artwork; determine how each is embodied in our painting; and clarify how these basic four elements can strengthen weak images and magnify already strong images. Elevate your personal work through demos, lectures, and personal critiques in the studio classroom. ([Click for SUPPLY LIST](#))
