RUSTY TRUCKS OR CARS

It's been said that the best place to find a rusty truck or car is in the farmland of the South. That may be true as I found 2 close to home, in Fairview, N.C. I have also been told of several others and a friend gave me a photo of one she saw. I have one I took a year ago that I'm partial to. Believe it or not, I discovered that there are dealers that sell old trucks and cars in disrepair so that you can buy one and restore it yourself.

For now, all we need is the painting you do for the Adventure!

LET'S GET STARTED!

Step 1: Select a rusty truck or car that interests you. The overall palette, size, and type of surface used area all of your own choice.

Step 2: Create your work of art and send a photo of your painting along with the title and size to: APSmedia828@gmail.com by **Wednesday, April 23rd at 6:00PM.** Feel free to include your comments on how you experienced this challenge.

Step 3: Remember, the deadline is firm. Nothing can be posted that is received after **6:00PM on April 23rd.** Please note that the painting does NOT need to be in its finished form.
